PROFESSIONAL SUMMARY

Motivated Master of Computer Applications (MCA) student with strong knowledge of Python, Flask, SQL, HTML, CSS, JavaScript, Database Management Systems, and Networking. Experienced in developing full-stack web applications, AI-based academic projects, and cybersecurity solutions. Passionate about backend development, problem-solving, secure software engineering, and continuous learning. Seeking Software Developer, Python Developer, or Backend Developer roles where I can contribute technical skills while expanding my professional expertise.

TECHNICAL SKILLS

Python, Java, JavaScript, SQL, HTML5, CSS3, Bootstrap, Responsive Web Design, Flask, REST APIs, SQLite MySQL, Git, GitHub, VS Code

Core Computer Science

DBMS, Operating Systems, Computer Networks, OOPS, Data Structures, SDLC

PROJECTS

CyberShield

Technologies: Python, Flask, SQLite, HTML, CSS, JavaScript

- Developed a cybersecurity web application using Flask.
- Built secure authentication with SQLite database integration.
- Implemented Cookie Protection module.
- Developed UPI Fraud Detection module.
- Built Ransomware Detection module.
- Designed Admin Dashboard for user management.
- Created responsive UI for desktop and mobile.

KrishiConnect

Live Demo: <https://krishiconnect-smart-digital-agriculture-8.onrender.com>

Technologies: Python, Machine Learning, HTML, CSS, JavaScript, MySQL

- Developed an AI-based agriculture recommendation platform.
- Integrated crop recommendation using machine learning.
- Designed weather and soil information modules.
- Built market information dashboard.
- Developed user and admin management system.

RESEARCH PUBLICATION

KrishiConnect: An Intelligent Agriculture Prediction System using AI and Machine Learning

- Published research paper describing AI-based crop prediction, weather forecasting, and agricultural recommendation system.

CERTIFICATIONS

- Advanced Python Programming from Sarva IT & Educational Development in 2023.

EDUCATION

Master of Computer Applications (MCA)

University: Bangalore University

Graduation: 2026

CGPA: Pursuing

Bachelor of Computer Applications (BCA)

University: Durg University

Graduation: 2024

Percentage: 75.8%

ACHIEVEMENTS

- Published Research Paper
- Developed Multiple Full Stack Projects

SOFT SKILLS

Leadership, Communication, Teamwork, Analytical Thinking, Time Management, Adaptability

LANGUAGES

- English
- Hindi
